

PICA WA 2017 FutureNow Commitment to Workforce Development Award

CRITERIA

Please provide information about how your business addresses the following criteria.

<p>Recruitment Please describe the way you undertake recruitment of new employees or apprentices to equip your business with a skilled workforce, including examples of challenges you have overcome and benefits that have resulted from your approach.</p>	
<p>Training and Professional Development Please describe the approach your business takes to building the skill levels of your employees through training and professional development, including examples of challenges you have overcome and benefits that have resulted from your approach.</p>	
<p>Flexible Work Practices Please describe how your business builds flexibility into the workplace to enable your employees to meet external obligations such as family and study, including examples of challenges you have overcome and benefits that have resulted from your approach.</p>	
<p>Workforce Diversity Please describe your approach to broadening your workforce in regards to diversity (for example recruiting younger workers, having both male and female employees, providing employment for people with disabilities, providing an inclusive approach to religious or cultural diversity), including examples of challenges you have overcome and benefits that have resulted from your approach.</p>	
<p>The Future In one page or less, please describe the challenges and opportunities you foresee for the print sector and how building the skills and expertise of the workforce within your business will address these.</p>
